Be Respectful

Be Responsible

Be Safe

What Is PBIS?

The **Positive Behavior Interventions and Support** program is based upon the idea of recognizing positive contributions of students. Our goal is to help each child develop self-discipline. Home and school share the responsibility for developing good citizens. Parents, teachers, and students must work together to maintain a safe learning and positive learning environment.

As part of PBIS, teachers, administrators, counselors and support staff will have responsibility to TEACH positive behavior expectations to students.

PBIS means students will know exactly what is expected of them. Students who take responsibility to behave positively will be recognized and rewarded in a variety of ways.

School-Wide Expectations

Be Respectful

- Use manners.
- Wait your turn.

Be Responsible

- Bring all items needed for school.
- Listen to adults and follow directions.

Be Safe

- Keep hands, feet and body to self.

Students will receive on-going instruction from staff on our school-wide expectations in all areas of our school. The classroom, bathroom, cafeteria, hallways, bus, computer lab, media center, playground and assemblies are all settings where students will be expected to act in a respectful, responsible and safe manner.

School success starts
with attendance

We believe that attendance is an essential component to your child's academic success. It is our goal to collaborate with you to ensure that your child views school attendance as an important part of being a successful student. An absence means that your child has lost an opportunity to learn.

When your child is absent from school, send in a written excuse or doctor's excuse to your child's teacher so that the absence can be excused.

PBIS at Home

I Am Respectful

- I speak nicely to others.
- I am truthful.
- I listen to my family.

I Am Responsible

- I help around the house.
- I clean up after myself.
- I go to bed when I am told.

I Am Safe

- I keep my hands to myself.

C.B. Watson Primary Staff In Collaboration With Parents:

- Ask your child to tell you the three school expectations for behavior- **respectful, responsible and safe.**
- Ask your child to discuss examples of ways he or she can use these expectations to help them learn and participate in school.

Who We Are | Mission Statement

The mission of the C.B. Watson Primary PBIS team is to foster and promote a safe and positive school environment that enhances student learning through teaching and recognizing positive behavior.
